Gardener Djinn

TOWNSFOLK

Chef
You start knowing how many pairs of evil players there are.

Bounty Hunter
You start knowing 1 evil player. If the player you know dies, you learn another evil player tonight. **[1 Townsfolk is evil]**

Empath
Each night, you learn how many of your 2 alive neighbors are evil.

Balloonist
Each night, you learn a player of a different character type than last night. **[+0 or +1 Outsider]**

Engineer
Once per game, at night, choose which Minions or which Demon is in play.

Courtier
Once per game, at night, choose a character: they are drunk for 3 nights & 3 days.

Seamstress
Once per game, at night, choose 2 players (not yourself): you learn if they are the same alignment.

Philosopher
Once per game, at night, choose a good character: gain that ability. If this character is in play, they are drunk.

Professor
Once per game, at night*, choose a dead player: if they are a Townsfolk, they are resurrected.

Amnesiac
You do not know what your ability is. Each day, privately guess what it is: you learn how accurate you are.

Tea Lady
If both your alive neighbors are good, they can't die.

Fool
The 1st time you die, you don't.

Pacifist
Executed good players might not die.

OUTSIDERS

Drunk
You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

Golem
You may only nominate once per game. When you do, if the nominee is not the Demon, they die.

Zealot
If there are 5 or more players alive, you must vote for every nomination.

Snitch
Each Minion gets 3 bluffs.

MINIONS

Godfather
You start knowing which Outsiders are in play. If 1 died today, choose a player tonight: they die. **[-1 or +1 Outsider]**

Devil's Advocate
Each night, choose a living player (different to last night): if executed tomorrow, they don't die.

Witch
Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

Assassin
Once per game, at night*, choose a player: they die, even if for some reason they could not.

Boffin
The Demon (even if drunk or poisoned) has a not-in-play good character's ability. You both know which.

DEMONS

Pukka
Each night, choose a player: they are poisoned. The previously poisoned player dies then becomes healthy.

Lil' Monsta
Each night, Minions choose who babysits Lil' Monsta & "is the Demon". Each night*, a player might die. **[+1 Minion]**

Shabaloth
Each night*, choose 2 players: they die. A dead player you chose last night might be regurgitated.

Lord of Typhon
Each night*, choose a player: they die. **[Evil characters are in a line. You are in the middle. +1 Minion. -? to +? Outsiders]**

Djinn
Use the Djinn's special rule. All players know what it is.

The Demon cannot have the Drunk ability.

If the Philosopher gains the Bounty Hunter ability, a Townsfolk might turn evil.

Gardener
The Storyteller assigns all players' characters.
